From 1 January 2015, a Registered Training Organisation cannot issue you with a nationally recognised VET qualification or statement of attainment when you complete your course if you do not have a **Unique Student Identifier (USI)**. In addition, we are required to include your USI in the data we submit to NCVET. If you have not yet obtained a USI you can apply for it directly at <https://www.usi.gov.au/students/get-a-usi> on computer or mobile device.

Enter your Unique Student Identifier (USI) (if you already have one):

You may already have a USI if you have done any nationally recognised training, which could include training at work, completing a first aid course or RSA (Responsible Service of Alcohol) course, getting a white card, or studying at a TAFE or training organisation. It is important that you try to find out whether you already have a USI before attempting to create a new one. You should not have more than one USI. The Refund Application Form must be submitted via email to finance@MCOHB.edu.au, or in person marked attention "Finance Department".

Whether you are entitled to a refund or not, you will receive written notification of the outcome within 20 working days of receipt of the refund application which will include an explanation of how the refund was calculated. Within 20 working days of receipt of the refund application (for refunds that relate to provider default referred below), the refund will be paid to you or another person you nominate in writing.

If a credit card is used to make payment(s), MCOHB will refund the amount on to the credit card used for the payment(s). Where an application is withdrawn or cancelled, notification by submitting a Cancellation Form must be provided.

For refund calculations, other than a student visa refusal, the refund is based on the commencement date of the first eCoE for that particular visa application, OR the commencement date of the CoE for which a visa is granted. In the instance that an eCOE

was not issued, the refund will be based on the commencement date of the first Letter of Offer (LOF). Any deferred or subsequent COEs or LOFs will not be considered for the purposes of calculating a refund. The table below summarises the refund amount and reasons for refund.

Student has been refused an Australian Student Visa and has not started the course (refusal letter required)	100% tuition fee refund excludes enrolment, material equipment and administration fees*
Student has been refused an Australian Student Visa and has started the course (refusal letter required to determine default date)	100% tuition fee refund excludes enrolment, material equipment and administration fees **

Deceased Students: The personal legal representative of the Deceased Estate must apply for any excess payments which are to be refunded. The administrators must supply details about who the refund is payable to. RTO reserves the right to request official documentation to support any such claims.	The proportion of fees paid for the unused delivery of training and assessment services i.e. the fees are calculated on for the days that were paid for that the deceased student did not attend after deceasing.
<i>* indicates amount minus 5% of the course fees received (including non-tuition fee); or \$500; whichever is less.</i>	
<i>** indicates unspent tuition fee of weeks in default period (period from after default day and the end of the period to which the unspent tuition fee relates).</i>	

Refund calculation:

a) $Weekly\ tuition\ fee = 7 \times \left(\frac{total\ tuition\ fee\ for\ the\ course}{number\ of\ calendar\ days\ in\ the\ course} \right)$

b) $Weeks\ in\ default\ period = \frac{\left(number\ of\ calendar\ days\ from\ the\ default\ day\ to\ the\ end\ of\ the\ period \right)}{7}$
to which the payment relates

c) $Refund\ amount = weekly\ tuition\ fee \times number\ of\ weeks\ in\ default\ period$

¹ Student defaults if the course starts at the location on the agreed starting day, but the student does not start the course on that day (and has not previously withdrawn); or the student withdraws from the course at the location (either before or after the agreed starting day); or RTO refuses to provide, or continue providing, the course to the student at the location because of one or more of the following: student fails to pay an amount payable to RTO for the course; the student breached a condition of his/her student visa; misbehaviour by the student.
